

Proposed FWP agency legislation related to water quantity or water quantity

From: Don Skaar, Habitat and Access Bureau chief (FWP)

To: Water Policy Interim Committee

A revision to: 85-2-436. *Instream flow to protect, maintain, or enhance streamflows to benefit fishery resource—change in appropriation rights.* We will be proposing to remove the sunset date on this statute, which is June 30, 2019.
